Marine operations on Hibernia and the mating and towout of the production platform

Ovyind Hagen

_Hibernia Management and Development Company,
Suite 1000, 100 New Gower Street, St. John's, Newfoundland A1C 6K3, Canada_

A brief review of all marine operation activities related to construction and installation of the Hibernia Platform will be presented. The sequence of past activities and how they are tied in with the construction program will be covered, as well as some details of upcoming major operations, such as mating and towout to the Grand Banks.
