

## Ceramah Teknik (Technical Talk)

### Characterising and sourcing archaeological stone tools and pottery in Malaysia

STEPHEN CHIA

#### Laporan (Report)

Dr. Stephen Chia of Pusat Penyelidikan Arkeologi Malaysia, Universiti Sains Malaysia, Penang, gave the above talk on 26th September 2003 at 5.30 pm at the Geology Department, University of Malaya. After the talk the participants showed keen interest in the display of samples from the Neolithic site at Bukit Tengkorak, Semporna, Sabah.
